

I CAN CHANGE THE WORLD

Paint your hands with your favorite colors and then make hand prints on this page or a new piece of paper. If you use a new piece of paper, cut out the lyrics from the song "My Own Two Hands" by Ben Harper and glue it onto the page with your hand prints.

I can change the world with my own two hands
Make a better place with my own two hands
Make a kinder place with my own two hands.

-from "My Own Two Hands"
by Ben Harper
