

Groundhog Pop-Up & Song

Color and cut out the groundhog and the rectangle. Be sure to cut fringe along the edge of the rectangle.

Glue the rectangular piece of paper around a styrofoam cup. The fringe should go around the open end of the cup.

Glue the groundhog to the end of a popsicle stick. Cut a slit the same width as the stick in the bottom of the cup and slide the popsicle stick through it.

Move the stick up and down to make it look like the groundhog is popping out of his hole.

I'm a Little Groundhog

Sing to the tune of I'm a Little Teapot

I'm a little groundhog

In my hole.

On February 2nd

You will know.

If I see my shadow

It will be,

Six more weeks of winter

For you and me!
